

17th September 2020

Dear Parent/Guardian

Re: Year 6 Virtual Open Evening – Thursday 24th September 2020

Firstly, may I take this opportunity to wish you and your family all the very best at this challenging time. COVID-19 has certainly challenged most of what we do and 'normality' seems some way off. Part of the reason I am writing to you is because, like most schools, we have been told that it is inadvisable to hold 'Open Evenings' over the next term. As both a parent and a Headteacher I am disappointed by this as I am sure you are too.

However, we plan to offer a virtual tour of the school so you can look at the school from the perspective of a student. This tour will include:

- A Headteacher's address
- Head Boy/ Head Girl address
- Tours of the departments and facilities

The Virtual Open Evening will be available on our website from Thursday 24th September through the following link:

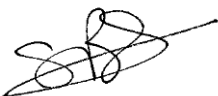

<https://www.regentsparkcollege.org.uk/parents/news/virtual-open-evening>

Furthermore, I know how difficult it is choosing a school – so why Regents Park?

- We are fully staffed with well qualified subject specialists
- We have our own swimming pool which enhances the PE curriculum
- Our academic results continue to rise year on year and we offer over 27 courses for GCSE and BTEC
- We have amazing after school activities with various clubs from sport to academic subjects, music to crafts
- We have a newly refurbished Design Hub with excellent facilities for cooking, textiles and woodwork
- Our science labs are currently being refurbished and will be finished in November with state of the art equipment

I hope you find the virtual tour interesting.

Yours faithfully

King Edward Avenue
