We have created an online form to advise and consult on the RSE curriculum. We would appreciate it if parents and carers could fill out the form by the 30th June.

FROM MRS HIXON

We want to acknowledge that the government have given schools permission to open to more year groups if they feel they can do this safely. Unfortunately, we would love to see more children back, at this time we cannot accommodate as we do not have the capacity to do so in terms of staff or rooms, alongside our current Key worker and Year 6 provision. We are, however, working out a way to bring year 3, 4 and 5 home-learning children back, as part of transition, during the last week of term

to say goodbye to their current teacher and meet their new teacher. We will send out more details once we have worked out what this will look like.
