Caring at Shirley Junior School: My Voice

Citizenship Award

Name: _____

Year group: 3 4 5 6

We want to help you to become fabulous citizens of our school!

You can earn your citizenship award each year by doing the challenges suggested inside, or equivalent challenges if your teacher agrees.

Some of the challenges connect to other learning values as well.

Your teacher needs to sign your booklet to say you have been successful, and if the challenge has been done at home, you need a signed note from your grown up as evidence.

Good luck!

LEARNING AMBASSADOR

We know our children can make a difference in our school community - they drive change and ensure that Shirley Junior School is the best place it can be.

From representing the school in clubs, taking an active part on house challenges, being a member of our eco or learning council or working towards a Citizenship Award - our children **care** about their school.

Citizenship is all about being an **active** citizen and **getting involved** as a member of a **community**.

Caring at Shirley Junior School: Democracy Day

Each year, Shirley Junior School participates in a focused day learning about what democracy is and how it shapes our lives. Each year group deepens children's understanding of what it means to be a citizen and have a vote.

Year 3

Origins of democracy -
Ancient Greece

Year 4

Democracy in England -
Magna Carter

Year 5

Democracy and equality?
Votes for women.

Year 6

Today's system - manifestos
and voting ages.

As a part of this day, children participate in their own democratic vote. They vote in the learning ambassadors, house captains and eco council for the year.

LEARNING AMBASSADOR

Citizenship is all about being an **active** citizen and **getting involved** as a member of a **community**.
