Don't forget to look at our Community Information page also in the letters section for what's happening in Southampton.

COVID FLOW CHART

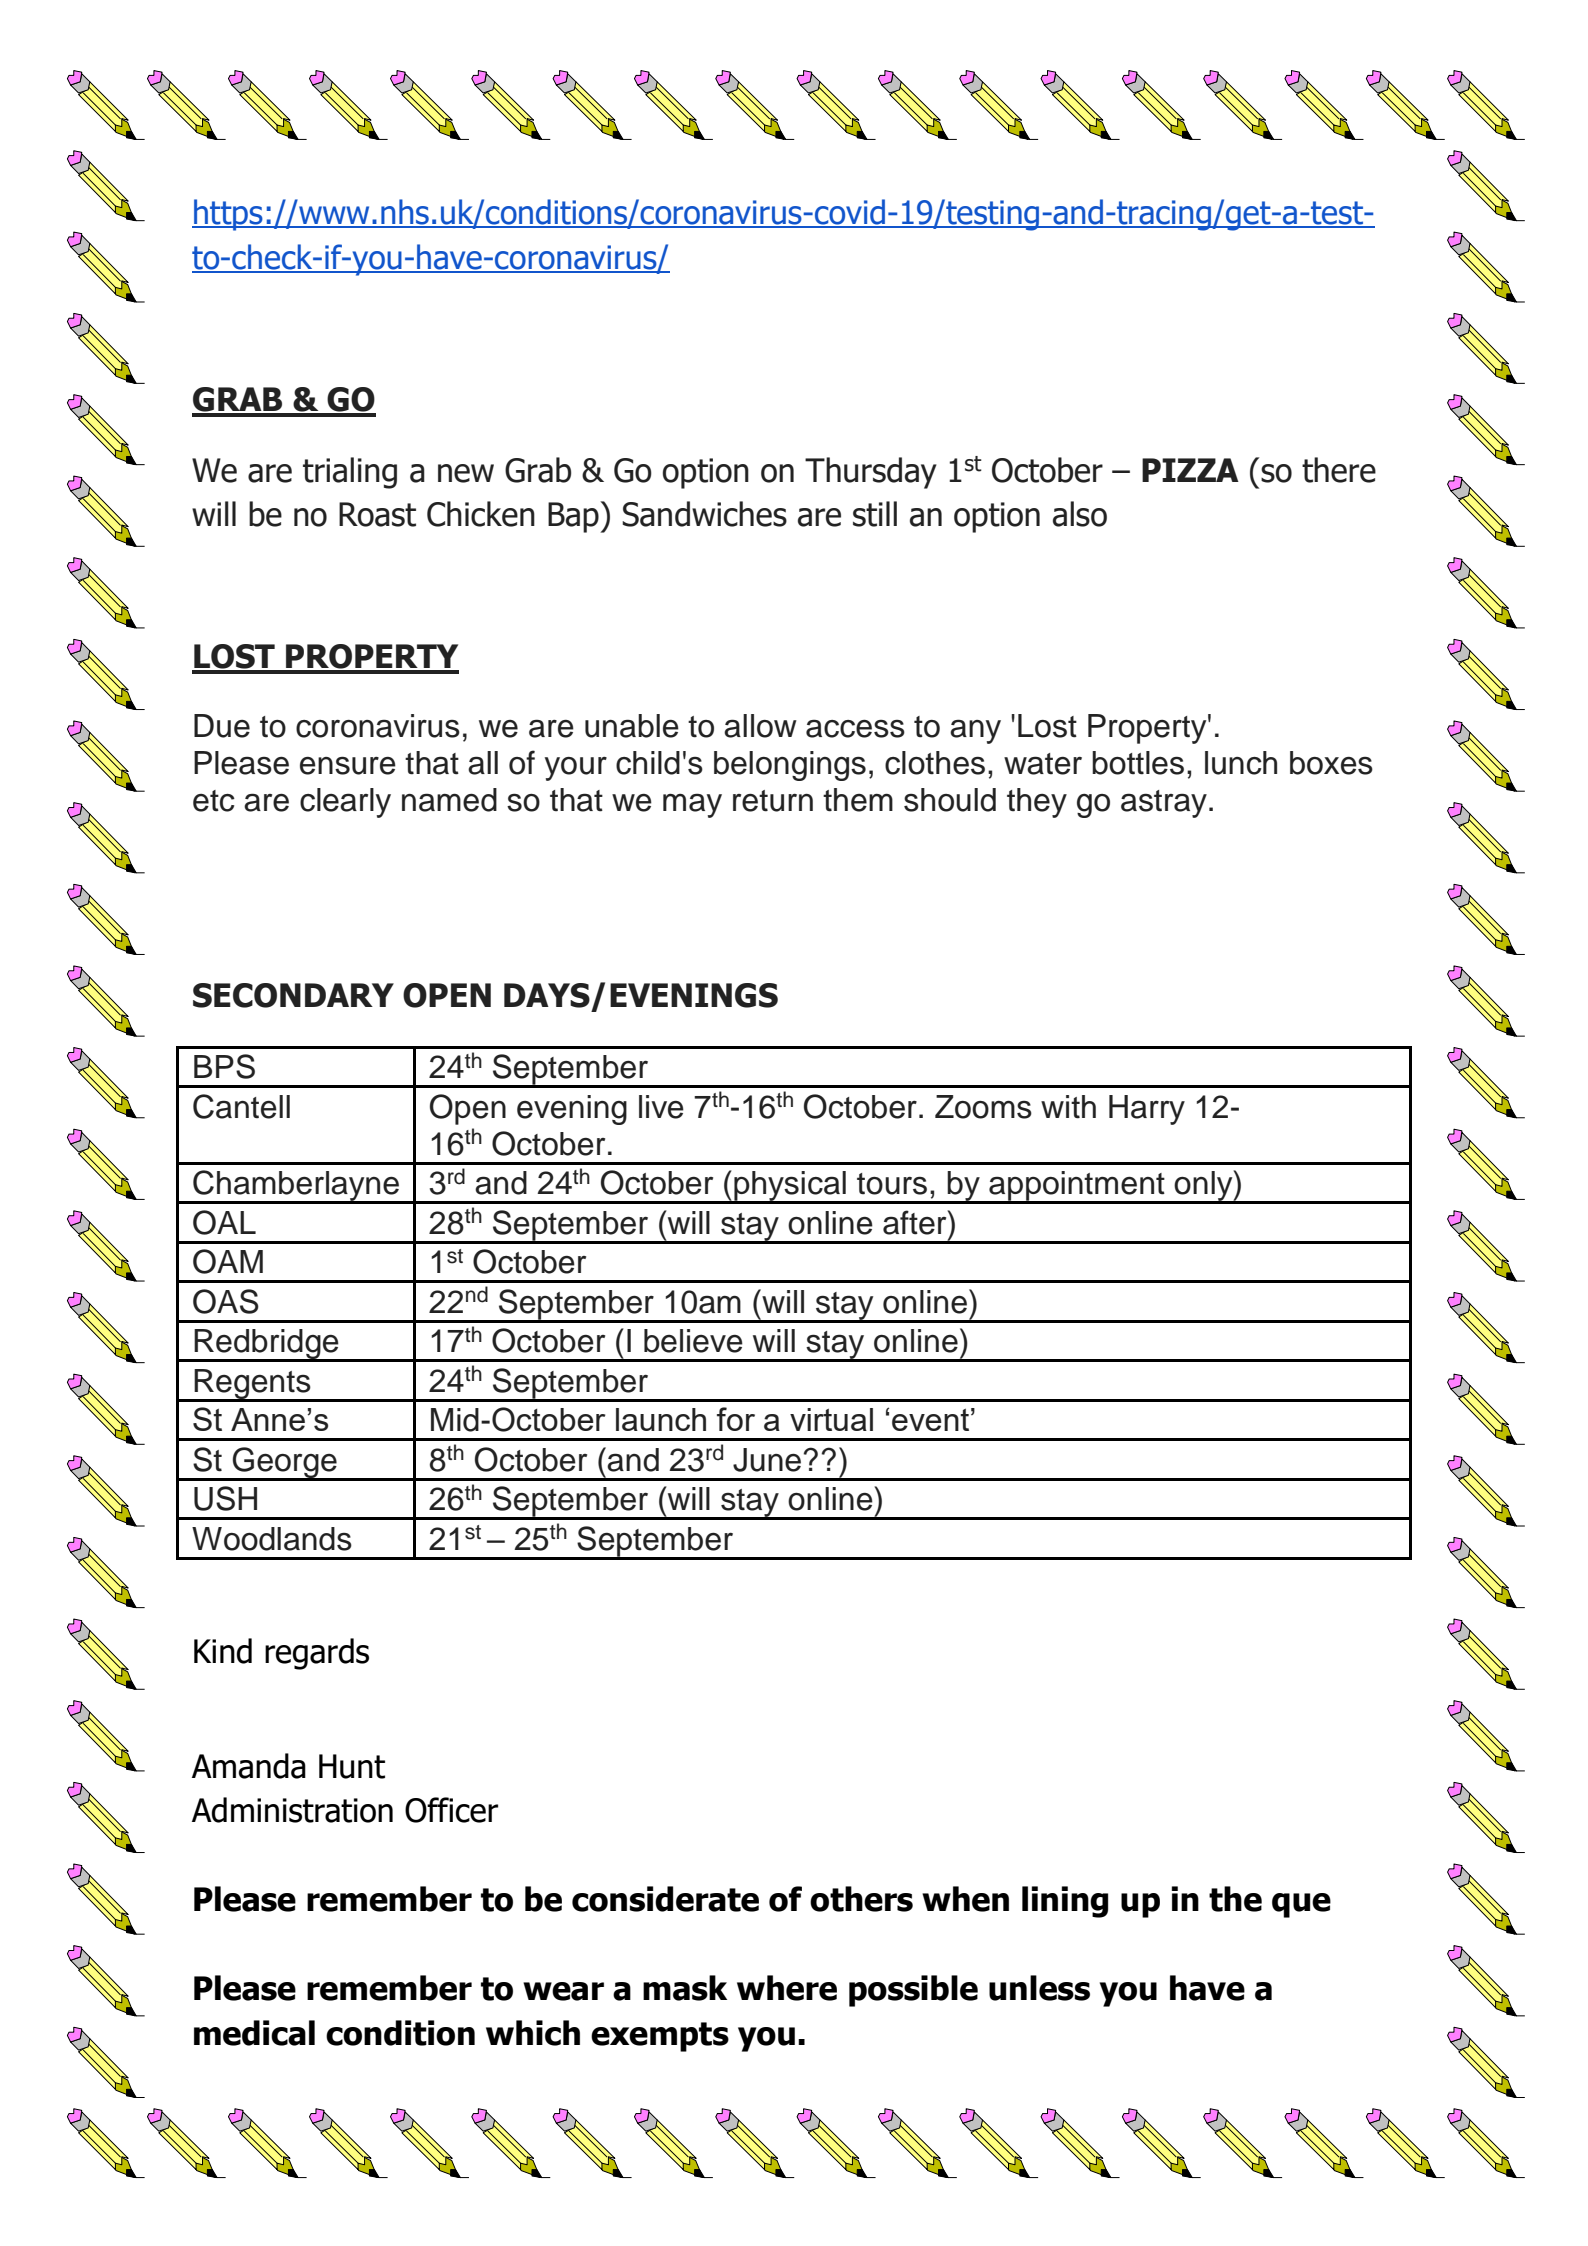

We recognise it is difficult for parents when children are ill or sent home from school unwell understanding the guidelines therefore, we have uploaded a flow chart to the school website that will help when making the decision of how to proceed.

INFO

Just to reassure families, USH has arrangements in place for daily monitoring of attendance including for suspected cases of coronavirus and we will always liaise with the local Health Protection Team in the event of any confirmed case. The Leadership will promptly contact parents individually and/or in groups should a case be confirmed to inform them of next steps.
