

Dear Parents and Carers,

This week, our whole school has been buzzing with conversation as we continued to develop our oracy skills! We revisited our Speaking Wheel and learned three new skills to develop our ability to 'Speak to explore'. We discussed how to respect each others' opinions, and linking ideas while taking turns. We all had a go at instigating a conversation and then building on—and even challenging—each other's thinking. It's been wonderful to see such confident, thoughtful dialogue happening across the school!

Best Wishes, Mrs Davie Headteacher

School Community Messages

We had an incredible visit on Thursday from Rick Jackson of BBC Solent! He spent time at our school and interviewed some of our brilliant Oracy Ambassadors for his popular 'Every Day is a School Day' segment. Our children impressed him with their amazing—and quite challenging—questions! Their voices will be featured during the week beginning 7th December, so be sure to tune in or catch the broadcast on BBC Sounds. You won't want to miss it!

Chat Bites

This week ChatBites have continued to spark lively and thoughtful conversations in the dining hall!

To keep the conversation going, why not ask your child one of this week's ChatBite questions over dinner? It's a great way to hear their ideas, share your own, and enjoy some quality family time through thoughtful dialogue.
