

## **Year 5 Half Term Homework Project!**

Over the half term, we want you to research a famous river!

With your research, you could discover;

- Where it is, and any famous geography or landmarks along the river.
- The history of the river—did it have a certain purpose for previous civilisations?
- Modern day—how is it used now?
- Facts and figures about the river.

You could create a poster, power point presentation, fact file, a piece of art. BE CREATIVE!

Every piece of half term homework will earn 5 house points and 2 C&I effort stars!

We can't wait to see your work on Monday 24th February
