

# Google Classroom

## Turn notifications on or off

By default, you get email notifications for some activities, such as when someone comments on your post or your teacher returns work. Students and teachers can change their notification settings at any time. If you use Classroom on a mobile device, you need to update the settings on your device as well.

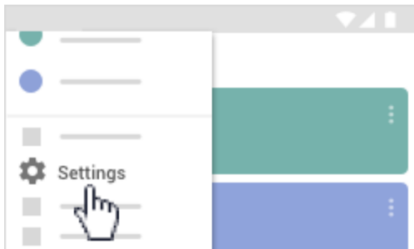

### Turn email notifications on or off

You can decide if you want to get email notifications about updates to your classes.

1. Tap Classroom .
2. At the top, tap Menu .

3. Scroll down and tap **Settings**.

4. Tap **Notifications**.
5. Next to **Email notifications**, tap the switch **Off**  or **On** .

## Turn device notifications on or off

You can decide if your iPhone or iPad can notify you of updates from your classes.

1. Tap Classroom .
2. At the top, tap Menu .

3. Scroll down and tap **Settings**.

4. Tap **Notifications**.
5. Next to **Device notifications**, tap **Enabled** or **Disabled**.
6. In your iPhone or iPad settings, tap **Notifications** and tap the switch **Off**  or **On** .

## Customize device notifications

You can choose the notifications that you get for all of your classes on your device. For example, you can turn off invitation notifications for all classes but keep assignment notifications on.

1. Tap Classroom .
2. At the top, tap Menu .

3. Scroll down and tap **Settings** > **Notifications**.

4. Make sure that **Device notifications** is **Enabled**.  
See the instructions above to [Turn device notifications on or off](#) .
  5. Under **Device notifications**, next to each notification that you want to get, tap the switch **On** .
- Refer to the tables below for a description of each notification.

# Sign in to multiple accounts at once

If you have more than one Google Account, you can sign in to multiple accounts at once. That way, you can switch between accounts without signing out and back in again.

Your accounts have separate settings, but in some cases, settings from your [default account](#) might apply.

## Add accounts

1. On your computer, sign in to [Google](#) .
2. On the top right, select your profile image or initial.
3. On the menu, choose **Add account**.
4. Follow the instructions to sign in to the account you want to use.

## Switch between accounts

1. On your computer, sign in to [Google](#) .
2. On the top right, select your profile image or initial.
3. On the menu, select the account you'd like to use.

## Accounts have separate settings

You can control your settings separately for each of your accounts. When you sign in to multiple accounts, account settings usually aren't shared between accounts. For example, your accounts might have different language settings or sign-in steps.
