Confirmatory PCR Tests

Staff or pupils with a positive LFD test result must self-isolate in line with the stay-at-home guidance. They will also need to arrange a lab-based polymerase chain reaction (PCR) test to confirm the result. If the PCR test is taken within 2 days of the positive lateral flow test, and is negative, it overrides the self-test LFD test and the pupil can return to school. Those with a negative LFD test result can also continue to attend school and use protective measures.

Symptomatic testing

The asymptomatic testing programme does not replace the current testing policy for those with symptoms. Anyone with symptoms (even if they recently had a negative LFD test result), should still self-isolate immediately according to government guidelines.

Those with symptoms are also expected to order a test online or visit a test site to take a lab-based [polymerase chain reaction \(PCR\) test](#) to check if they have the virus.

NON-UNIFORM DAY

Hamwic Trust have arranged for us to have a
Non-uniform Day on Friday 28th May 2021

We are asking for a voluntary donation of £1 as it was agreed that the money raised will go towards Christmas Eve boxes for disadvantaged pupils across the Academy Trust.

Hamwic Education Trust Foundation

We are pleased to announce the launch of the Hamwic Education Trust Foundation which has been established to provide support for some of our most vulnerable and disadvantaged pupils throughout their time at school.

WHAT WE DO

Supporting our pupils is a priority and the Foundation will aim to help those who need most. We will aim to deliver by providing for basic needs and supporting pupils to reap the benefits their learning confidence and self-esteem.

Following on from the success of last year's fundraising for our Christmas Eve Box appeal, the Foundation would like to be able to carry out similar activities that will benefit our pupils in the future.

The Hamwic Education Trust has representation and support from across the Trust including senior leaders and Governors.

FUNDRAISING EVENTS

We will be hosting at least ten fundraising events during our existing events, games and staff talks. Our first fundraising event is to be held this summer, a non-uniform day with a voluntary donation of £1.

We will be raising funds in a number of ways and we will also be accepting donations in the form of:

- Financial donations by individuals or businesses
- Donations of goods from suppliers or local businesses

We want to support our most vulnerable and disadvantaged pupils through our projects and we are proud to be able to do this. If you would like to help us, please contact info@hamwictrust.org or call us on 023 8078 8033.

We are proud to be working with the Hamwic Education Trust Foundation.

We have been running a 'School Street'. This is where a section of road outside the school is closed briefly to motorised vehicles at school drop off and pick up times, allowing that section of road to safely be used by the children and their families. Bellemoor Road is closed to motor vehicles on weekdays during term time, between 8.20am and 3.30pm. Access is maintained for emergency vehicles and residents living directly within the closure.

The school and Southampton City Council are seeking views on the School Street from pupils, parents, staff, residents and the wider community in order to feed into future opportunities.
