

# Kids Organic Kitchen Club with Katie

Katie is running organic cookery classes for 6 -14 year olds. Groups are 6-10yrs & 11-14yrs.

The cost of this class is £65 per half term and includes all the ingredients used as well as the tuition. Spaces are limited and will fill up quickly so book now to avoid disappointment.

We will have fun learning an important life skill which will develop and enhance a variety of learning abilities; Sensory Skills, Motor skills, Mathematics, Safety & Hygiene, Social & Emotional development and language skills. We do this through measuring, weighing, tasting (amongst others) to create some wonderful organic recipes.

The recipes are family friendly and Recipe cards will be sent home including cooking instructions. Please bring a large container for transporting our creations home. Please email to enquire about booking.

*Other Bespoke Classes are available on request (D of E Skill set, 1-1, groups etc)*
