### **PARENTS**

We would like to remind all pupils and parents they are NOT required to bring their own pencil case and supplies to school. The school provides pupils with all the resources they need and the PTA also gives every child their own chair organiser for them to use during the four years that they are here. Some of the personal pencil cases are too large and causing the organisers break, as well as causing possible conflict when a pupil use someone else's personal pens and pencils. We therefore ask that pupils leave their own stationery items at home, thank you.

### **PLEA**

We are currently trying to arrange a more convenient lost property area for the Junior School, please could we ask if anyone has a clothes rail that is surplus to their requirements the school would gladly accept this item.

Kind regards

Amanda Hunt

Administration Officer

**PTFA**

Uniform & tuck shop sale Thurs 26th Sept in the playground after school. Come and bag a bargain with our second hand uniform sale. Replace all those jumpers which have already been lost and treat the kids to an after-school snack while you browse the uniform.

After this date, all uniform will be available to browse and buy every Monday morning from the entrance to the community room in juniors (at the top of the ramp). While you're there, why not stop for a cuppa with the lovely Karen!

**AGM 2nd Oct 7pm**

As parents of children in Shirley Junior School, you are automatically members of the PTFA. Come and join us for the AGM on Wed 2nd Oct at 7pm in the Juniors hall. Find out how much we raised last year, what we spent it on and what we have planned for this year. Vote for your committee and step forward for a role if you would like to get more involved. You can help as much as you like in a big or a small way, it all helps. Hope to see lots of you there, even if it's just for the free tea, coffee & biscuits.

**Marvellous Me Wed 9th Oct**

Are you struggling with getting it to work? Not sure where to find the letters? Have some suggestions for how to make it better? Join us for an informal troubleshooting session on Wed 9th Oct at 9am in the Junior school hall. All welcome!
