

We will be celebrating World Book Day on Thursday 5th March this year. We have many exciting activities planned for the children to enjoy during the school day and in preparation for this we would like them to spend some time over the next week on the following activity.

1. Select a book which you have recently enjoyed reading.
2. Be prepared to talk about the details of this book with other children on World Book Day.
3. You may wish to complete a book review to support your discussions.
