## Transition activities for Yr3,4 &5

Over the next few weeks, we will be sending out a range of activities to support the children to get ready to return to school in September. All these activities will be published on the website in either the current individual year group home learning page or the 'return to school page'.

We will provide the following activities and information:

- A home learning activity to bring in on transition day, this will be on pupil's current year group home learning page
- A half-day face-to-face transition session on the school grounds, Wednesday 15<sup>th</sup> July & Thursday 16<sup>th</sup> July
- A summer home learning project to prepare children for learning in September, to be brought back at the start of term, uploaded at the end of term on to pupil's current home learning page
- A Learning Values activity grid – remembering how we learn
- A video showing the learning projects for the new year
- A social story PowerPoint, this will be on the pupil, return to school page
- Anxiety video – Yellow Door Charity for pupils to watch with a parent, this will be on the pupil, return to school page

## Transition Day times

When bringing your child to school please line up on either side of the school gates on Belle Moor Road, if possible adults to stand on the other side of the road to ensure social distancing. Please do not line your child up until the allocated time of arrival for their class, to give previous classes time to go in through the school gates safely. All the children will be met by the school staff at the gate and taken in to the playground. Pupils will have the opportunity to say goodbye to their current teachers and meet their new adults. All activities will take place on the school grounds. In the event of bad weather, this may have to be cancelled and a zoom meeting will take place instead. We will inform you the day before if we do have to cancel.

<b>Wed 15<sup>th</sup> July am –</b>	<b>Year 2 to 3</b>	
Woodpecker	arrive at 9:00am	leave at 11:10am
Badger	arrive at 9:10am	leave at 11:30am
