Dear Parent/Carer,

To support your child at home in the lead up to the SATS tests, we have chosen a selection of revision guides which we believe will help your child to develop their understanding in the key subject areas. The revision guides are available in the following bundles:

Bundle 1 - £14.50

Year 6 Reading Comprehension SATs targeted practice workbook

KS2 English SATs Study book

KS2 English SATs Practice Workbook

KS2 Maths SATs Study book

This bundle is designed for children who still need to develop their understanding in these subjects. The Revision guides teach children about specific areas of the curriculum and the workbooks allow them to practise these skills.

Bundle 2 - £13

KS2 Grammar, Punctuation and Spelling SATs Practice Question book

KS2 Spelling SATs Practice Question book

Ready? Set? Go! KS2 maths revision guide

This bundle is designed for children who have a good understanding of the KS2 curriculum and need to practise SAT style questions.

Both bundles can be purchased to support your child's learning at home.

If you wish to purchase these bundles at a reduced price through the school, you can do so via the MCAS App.

The bundles can be found in the menu on the left and by selecting 'Products.'

Select the bundle you wish to purchase and add to your basket.

Purchases can be made up until **Friday 15th March**. After this date, we will not be able to purchase any further orders.

Once the orders have been received, they will be given to your child to bring home before the Easter break.
