## **TRIP PAYMENTS**

As a school, we feel school trips are an integral part of school life for the children from both an academic perspective and social and inclusive aspects.

Unfortunately, due to school funding in the current climate being restrictive we rely on the support of parents for contributions to sustain these trips. These contributions enable the trips and experiences to go ahead.

Should there be any financial reasons why you are unable to contribute towards your child's trip please do not hesitate to contact the office and we will endeavour to help in any way we can.

## **SAFEGUARDING REMINDER**

We would like to remind all parents not to enter the school building in the morning or come into the classroom to speak with teachers at the start of they day. This is to make sure we safeguard our pupils as well as allow teachers the time to prepare and start the day with their pupils. There are members of staff on the doors who will be able to take a message up if needed. All teachers are available to talk to at the end of the day on the playground. Thank you

Kind regards

Amanda Hunt  
Administration Officer
