28th September 2023

Dear parents and children,

I am delighted to introduce you to your **exciting new planner** for 2023/24. We would like children to use this planner all year, for the following things and more (*new features shown in italics*):

- For any parent-teacher communication (*p9-12*)
- To help them use their Zones of Regulation toolkit (first page)
- To record their half-termly targets for English and Maths
- To record their reading at home and write reflections
- To record any test scores in class on the learning pages for that week
- To show how they are feeling in class (red, yellow and green pages)
- To record their log-ins and passwords

Important points

- Children need to take their planner to school every day, and bring it home each evening, so that they have it where and when they need it.
- Planners need to be kept safe – a charge of £5 will need to be made for replacements.

Please could you help your child to look through the planner to see what's included and **sign the home-school agreement on p6?**

Yours sincerely,
Jo Tearle
Deputy Head

from SJS parents:

- Keep the planner somewhere near your front door at home
- Have it out when reading, so it is easy to write a reflection in.

Children's Home Challenge!

Can you go on a treasure hunt through the planner to find these things? Write down the page numbers you find them on, get your **home-school policy signed** by an adult (we will check!) and hand this sheet in by Friday 13th October to earn **20 points** for your house.
