Head Teacher Message:

After the Easter holidays Shirley Junior school gates will be opening at 8.40am in line with the infants. The children will walk across the playground and straight in through their door. If you are dropping children at the infants at the same time, the Junior children are allowed to come in through year 2 door and upstairs to their classroom. Please ensure the children do not come to school before 8.40am as there will not be staff available to supervise them and it is not safe for the children to congregate around the school gates.

Shirley Junior Behaviour Management Workshop

We will be running a behaviour management workshop on Wednesday 24th April 2024 at 5:30pm. We aim for the session to be about 45 minutes long, with time for questions and answers afterwards.

Come along to learn more about the strategies we use in school in order to respond to repetitive low-level and challenging behaviour. We will record the workshop and share it on the website for any parents who are interested, but unable to attend.

In order to plan seating, it would be very helpful to know numbers in advance. Please could you complete this very short form if you are planning on coming along:
