Headteacher Message:

It has been a very busy end to the Spring term in school. The year 6 children have been studying hard for their forthcoming SATs, its been lovely seeing the year 5's artwork that was inspired by 'The Boy at the back of the Classroom' year 4 children have been well dressed for their outcome event and the year 3 children have been learning about the hierarchy of Egyptian life.

We hope you all have a refreshing Easter break and look forward to seeing you in the Summer term.

Whole School Dates:

Managing Behaviour workshop for parents

Very few parents have let us know if they are planning to come to this event, so we will cancel it for the time being. It would be really helpful to know what we could change so that more people would sign up, because we are really keen to let parents know how we manage behaviour in school - is there a more convenient time we could run it, for example? We would value any feedback about this, either email the office at [Office Email Address](#) or pass on to your class rep for the next parent forum.

Wool Donation

If you have any wool going spare that you would like to donate to Mrs Nutbeam for pom pom making please could you drop it into reception.

JEP Summer Festival - Tuesday 9th July at 6pm.

This is spectacular event that has run every other year for the last few years involving local schools within the Jeffery's Education Partnership. Children in the Junior School orchestra will be invited to play and children who sing in both infant and junior choirs will be invited to sing.

Look out for letters coming home about this event at the beginning of May.
