Year 5 Swimming Lessons 2022

16th September 2022

Dear Parent/Carer,

This is to inform you that, as part of the PE curriculum, your child will be attending swimming sessions at Shirley Swimming Pool on Thursday afternoons for 6 weeks.

The sessions are approximately 1hr long and are taught by swimming instructors at the pool. **Malamute Class** lessons will start on **3rd November 2022** and finish on **8th December 2022**. We ask that all girls wear a swimming cap to reduce wet hair and that all children have a hat and coat for the walk back to school after their lesson.

The children will be walking 1 mile, which will take approximately 25 minutes. The children will leave the school just before the end of lunch and return by the end of the day. *If you are able to help walk the children to and from the pool, please let the office staff know.*

The children will be working in small groups under the guidance of Luke Perry, the manager of the pool. He will be working alongside several trainers. Please remember **EVERY WEEK** – swimming costume, towel and goggles (goggles are required for all children as instructed by Shirley Pool for health and safety reasons) in a named bag.

These swimming lessons will replace their indoor PE lessons for the 6 weeks. ***Any pupils who may have conflicting music lessons will need to speak to their teacher to make alternative arrangements.***

We would be grateful if you would return the permission slip attached to indicate whether there are any medical or health matters, which are likely to affect your child's participation.

If you would prefer to collect your child from the pool at 2:50pm please indicate on the slip. If children are not collected by this time we will not be able to wait and will return to school.

Headteacher : Mrs. A Hixon BA Hons NPQH

Deputy Headteacher: Mrs. J Tearle, PGCE
