ROAD CLOSURE

The road closure has been a huge success this year, and we would like to extend a huge **THANK YOU!** to everybody who has given their time to help marshall the barriers and make the road safer for our children and families.

We would love for the road closure to continue in September as it makes the drop-offs and pick-ups feel a lot safer. Unfortunately, School staff are unable to be part of the rota going forwards so it will need to be run and marshalled by the Shirley community. The closure periods will be shorter as we will not need to stagger drop-offs and pick-ups, which should make it easier for parents to volunteer.

If you are a current marshall who is happy to continue, or someone who would like to step forward to help out, please could you email office@shirleyschools.co.uk? Thank you!
