Thank you so much for all your support over the last year. It's been lots of fun and we've raised an amazing amount of funds for the school. Can't wait to see the new playground development early next year!

We've got lots more planned for the coming year so buy those quiz tickets, sign up to the lottery, and don't be shy, why not join our group of volunteers – everyone is very welcome!

NEW School Lottery – starts 11th Jan!

If we sell 100 tickets a week for our school lottery we will raise £40 every week, £160 every month, £1920 every year.

That's nearly £2000 extra we can spend on the school and the children.

So please sign up today, it's only £1 per week and not only will someone from the school win at least £20 every week, there is also the chance of winning £25,000 in the national draw. First draw 11th January. Everyone can join – grandparents, aunties, uncles, neighbours – just share the link and support the school! You can sign up here:

There is a team working on a plan for developing the pond area. If you would like to be involved please contact Jen Bleeck.

Plans for spending

The junior school are saving up for a big playground redevelopment starting early next year. The pond (yes, there is really a pond) and its surrounding woodland space is mostly unused behind the big fence. We are saving to pay for a new, smaller fence to be put up around the pond itself so that the big external fence can be removed and children can enjoy the shaded area during break times, and teachers can use the woodland area as an outdoor classroom. We are also planning on removing the mushrooms as several of them are broken, and instead putting in fabulous new equipment for the enjoyment of all the junior children. We need to raise lots of funds to support this – if you or your company would like to sponsor this development, please just email pta@shirleyschools.co.uk.

Shopping for school

If you are doing your shopping online, please use these Amazon Smile or Easyfundraising links first – these pay money directly to the PTFA, which goes directly to the school, at NO EXTRA COST to you.
