Dear Parents,

This half term, Year 5 attended a fantastic residential at Minstead, where they learnt about the environment and how we impact it. They also learnt how to survive away from home, making their own lunches and beds!

Year 3 are currently working really hard to design and make their own working torches ready for a light party and sleepover on Thursday, fingers crossed they will get some sleep!

Year 4 spent a day learning all things Roman at Fishbourne Roman Palace from building bridges to mosaics.

This half term we have been focussing on our personal skill 'Collaboration'. Each year group has learnt skills that develop this skill and had the opportunity to collaborate together and 'Take Over' Celebration assembly; they have done a fantastic job, speaking clearly and demonstrate their collaboration skills.
