

After School Club Procedure

Team Spirit are planning to launch our after-school clubs in the new school year (September 2020). We are doing this as a result of recent government guidance (step 3 of the government's recovery strategy which starts on July 4th): *'Providers of community activities, summer clubs, tuition and other out-of-school activities (such as after school clubs) will be able to open over the summer, with safety measures in place.'*

With this in mind, we are putting the following things in place to be able to offer a safe environment for the children to take part and learn in our fun sessions:

- After-school clubs will be limited to 15 spaces – places will be provided on a first come – first served basis
- Where possible we will be delivering sessions outdoors – where this isn't possible (where weather restricts us) we will deliver sessions indoors which is the reason for the limited spaces
- Where possible we will be sticking to the 2-metre social distancing – where this isn't possible, we will be sticking to the 1-metre+ social distancing rule putting other protective features in place as per government guidance
- Sessions will be carefully planned and delivered to allow for maximum social distancing whilst still maintaining the fun and learning
- Equipment will be cleaned regularly both within and after sessions
- Sharing of equipment will be restricted where possible – where this isn't possible the equipment will be wiped down before being used by a different child
- All coaches will attend relevant training to understand new procedures put in place

Throughout the lockdown period Team Spirit have continued to deliver sessions and support schools, with key worker children and their reopening, successfully. Using this experience and knowledge, we hope to extend the scope of our delivery with these 'new-look after-school clubs' ensuring the safety of both children and staff is our top priority.

If you have any questions or queries about anything after school club related please don't hesitate to contact us on either:

sayhi@teamspirit4sport.co.uk or 02380658636

We look forward to seeing your children at our clubs soon.

Many Thanks

Ryan and Dazza
