PLEASE NOTE

From the 19th July Shirley Schools will continue to use the staggered start and end times. We know the government have said all restrictions will come to an end on the 19th July but we would ask that you continue to support us with our arrangements for the Risk Assessment for our school until the end of term on Friday 23rd July.

KEEPING US INFORMED

Please could we ask all parents to inform the school if anyone in the household is going for a coronavirus test or is self-isolating as another family member in the household has tested positive.

If your child is isolating please remember their Home Learning will be accessible on Google Classroom, if you have lost your login details please email the school office and we can get this arranged for you.

UPDATE FROM PUBLIC HEALTH ENGLAND

As an extra precaution Public Health England (PHE) is now advising close contact of anyone with a positive test result to get a COVID-19 PCR test (ideally 5 days after exposure or day five of isolation). If your child has had a positive PCR test within the last 90 days, you do not need to get another test unless they have new symptoms.

ROAD CLOSURE

The road closure has been a huge success this year, and we would like to extend a huge **THANK YOU!** to everybody who has given their time to help marshal the barriers and make the road safer for our children and families.

We would love for the road closure to continue in September as it makes the drop-offs and pick-ups feel a lot safer. Unfortunately, Junior School staff are unable to be part of the rota going forwards so it will need to be run and marshalled by the Shirley community. The closure periods will be shorter as we will not need to stagger drop-offs and pick-ups, which should make it easier for parents to volunteer.

If you are a current marshal who is happy to continue, or someone who would like to step forward to help out, please could you email office@shirleyschools.co.uk? Thank you!

ORANGE BANDS - BUMPED HEADS

We have reviewed our medical procedures regarding bumped heads.

To ensure that parents are aware that their child has had a bump to their head during the school day we will be applying an orange wrist band to any child that receives this injury.

A red note will accompany your child at the end of the day either via their book bag or Teacher. If we are concerned in any way with a head injury we will always contact the parent.

@HAVE YOUR SAY@

We are gathering parents' views about how we run parents evening next year - in person v face to face?

In the event the parents evenings do become virtual, we will still have lots of opportunities across the term for you to come in and see your child's work and celebrate their learning

Please help by complete this short survey - <https://forms.gle/TTcgyNCQTEdL9yJL7>

ZOOM—New to Year 3

Although the government guidance is changing on the 19th July, due to the continued rise of cases in the community we have decided it is safer to move the New to Yr3 meeting to a virtual one. We are really disappointed you will not be able to come and meet us in person and have a look at the classrooms before September but I am sure you will all agree, none of us wants to be isolating at the start of the summer break. We look forward to seeing your faces on the zoom call on **Tuesday 20th July** at 6pm where you will have an opportunity to hear about if in Year 3 at SJS.

Reporting Racism Online

The racist abuse we have seen aimed at the England players on social media is completely unacceptable. Social media companies need to do more, and we all have a part to play in reporting and responding to racist comments, content or accounts online.

[80% of teens have seen online hate](#) aimed at a particular group in the past year, so it is key that all of us know how to report and are able to help young people in doing so. Each platform has its own mechanism for doing this, but most racist content on social media can be reported as hate speech.
