

I have chosen to include a baby penguins face as I have only been at Shirley Junior School for two years. Baby penguins are also extremely cute!

I have chosen to include an Arctic Wolves tail as they travel in packs and show good team working skills.

I have chosen to include the body of an Arctic Hare as I love rabbits and used to have two called Buttons and Bambi as pets.

I have chosen to include Polar Bear feet as I am half Finnish and used to live there and we used to have bears in our forests.
