

VISIT INFORMATION SHEET

5th September 2023

Dear Parent / Carer,

As a part of our first project, Space Roamers, Year 5 scientists will be exploring space and our solar system. We have the exciting opportunity of a visiting planetarium on **Monday 11th September** that will allow pupils to experience outer space and see our solar system from a different viewpoint. This will support them in their understanding of the planets before they develop their computing skills and design their own Space Roamer to explore 'if there is anybody else out there'. The visit will take place in the school hall and children will be taking part in a day of activities in class linked to the astrodome visit.

Event Name	<i>The Astronomy Roadshow/Planetarium</i>
Event Organiser	Mrs Booth
Date	11 th September 2023
Cost	£3.50 Please pay online via the MCAS App or website.

Yours sincerely,

Mrs Booth & The Year 5 Team
