5.45pm — 6pm—Playground—Year 3 end the term with a bang! Fireworks for all the hard work the children have put into their learning.

*Please note:*

*Year 3 children will be invited to have a sparkler only if they are under their adults supervision. Sparklers will be used in the designated area of the playground which will be manned by school adults. School adults will only allow year 3 children who are wearing gloves and are with an adult to have a sparkler. If your child does not have gloves they will NOT be taking part in the sparklers.*

*A fair amount of time will be spent outside. Make sure you are dressed appropriately for cold weather!*

*Children will be able to view the fireworks from the playground. No one is to leave the designated area on the playground during the firework display.*

*Your feedback:*

*The children love to see your thoughts about their work—perhaps an area they have worked hard on and even sometimes steps to improve their work further. There will be opportunities in the classroom and in the gallery (hall) to share your thoughts about your child's work for them to keep in their books.*

*They can not wait to see what you think!*

*Thank you all for your continued support.*
