

SCHOOL TRIP INFORMATION SHEET

14th February 2020

Dear Parent/Carer,

Our new topic, Power of *Water*, involves the children looking at rivers and understanding the importance of water. We will be taking the Year 5 children to The Hamble Country Park for the day on **Monday 2nd March**, so they can observe a river more closely and study the key features. The day will include activities linked to both Science and Geography and will take place on the Hamble river. Children will work in closely supervised groups led by the year 5 teachers.
