Isolation Home Learning at Shirley Junior School

Google Classroom can be accessed on a computer or laptop, or as an app on Android or Apple tablet devices (not currently on Windows tablets). It can also be accessed via the browser on an Xbox or PlayStation. While accessible via the app on a mobile phone, it would not be easy to use many of the features on such a small screen size.

NO LIMITS

No Limits have recently launched a survey to gather young people's views in the 'New Normal' after lockdown. Here is the link [COVID-19 New Normal Survey](#)

The survey will be open until the end of November.

VIRTUAL AFTER SCHOOL CLUB

The 30-minute club will take place at 5pm each weekday and be led by a different member of the YST's athlete mentor network, starting on Thursday with world No 1 female inline skater and 10-times British Champion Jenna Downing.

Former Olympian Jeanette Kwakye and Paralympian Kate Grey are among the other role models being lined up to front sessions designed to support schools struggling to deliver extracurricular sport during the month-long restrictions.

Aimed mainly at primary-aged children, a different theme has been assigned for each day of the club - Adventure Monday, Tuesday Play, Wild Wednesday, Thinking Thursday and Fun Friday – some of which will involve the use of household items.

The YST will be working with the sport sector and its national network of partners to develop the sessions from a range of expertise and share ideas.

After School Sport Club will run for five weeks until December 18 and children and young people can take part live by visiting the YST's YouTube channel,
