25th June 2020

Dear Parent/Carer,

We have been working very hard to prepare for the return of the children in September. Although we are not yet certain how this will look until the Government give us more guidance, we still want to put as many plans in place as possible. Each year we carefully consider mixing the year 4 cohort as this is the midway point through the school and it is good for the children to develop new relationships. We feel it **will** be beneficial to mix the **current year 4** moving in to year 5 for September 2021.

The teachers know the children really well and have put a lot of thought into balancing out the classes taking in to account learning groups, those who work well together and having an equal balance of children. We would like to ask the children the **three people** they think they learn best with (these are not always their close friends!) Therefore, we have set up a google form that we would like you to complete with your child. We have also included a section for parents if they have any information they would like to share. We will obviously take any information that you provide in to account but we cannot not guarantee your requests, we aim to make sure every child has at least one friend/person they have requested that they learn well with in their class.

YEAR 4 ONLY – please complete the following form by Friday 26th June 2020

<https://forms.gle/LaHy3Ubmana9z7gG7>

Pupils in Year 3 and 5 will be moving up to the next year group in their current classes.

We are currently making plans to invite pupils back to school towards the end of term to meet their new teacher and to have an opportunity to say goodbye to their current teacher. We aim for this transition to take place on **Wednesday 15th July and Thursday 16th July**. Once these plans have been made I will share with you how it will work, we obviously need to make sure we can adhere to our Risk Assessment, social distancing and keep all the staff and children safe.

Headteacher : Mrs. A Hixon BA Hons NPQH

Deputy Headteacher: Mrs. J Tearle, PGCE
