

Half Term Homework

What hobby do you like to do?
Do you have a passion for something?
What are you an expert in?

This half term we would like you to refresh your knowledge on something you're passionate about.

During our next English journey we will be sharing our knowledge in each other. You will need to confidently talk about your chosen subject with no notes.

It could be: a computer game you love to play, your pet, a sports activity you do, your family, a book that you adore.
