October 2019

Dear Parent/Carer,

As part of our topic 'Shackleton's Journey', taught in the summer term, we have teamed up with Solent University who will film our play 'Shackleton's Journey' for an outcome. Solent University will be coming into Shirley Junior School to work alongside the children to create the piece of drama. The University will also be providing workshops to help the children with their performance skills in the run up to the filming.

The outcome will be screened at the University and parents will be invited to watch the finished performance in the summer term. We understand that this is quite a while away, however, we need to obtain permission to collect data from the pupils, which will help fund the University on this amazing project. The data will consist of:

- Personal details (name, date of birth, gender)
- Contact details (home postcode)
- Tracking and monitoring by the University
- Photo permission
- Parental HE status
- Special category data (Ethnicity, disability declaration, carer responsibilities)
- Experience of Local authority care

The student data will be collected under the public interest domain and the Privacy Notice attached explains in detail why they are collecting this information and its purpose.

Please indicate below whether you are happy for the data to be shared and return the slip to the school office.

Thank you for your continued support,

The Year 5 Team
