

## Choose one of these activities to do at home

Remember when practising homophones, you must think about the correct meaning.

### 1. Colourful Words

Choose 10 of your trickiest homophone spelling words. Write each letter using a different coloured pencil or pen! How colourful can you make your words?

Example- colourful

OR

### 2. Flash Cards Spelling

Make a set of flashcards to practicing 10 of your trickiest homophone spelling words. When you look at your flashcard, read the word and then spell it out loud. If possible, practice them with someone in your household.

*\*Example-* there t-h-e-r-e.

**For both tasks, choose your spelling words from this list.**

hear / here  
their / there / they're  
no / know
