

Spelling week 2

Work through these spelling activities to revise the most common spelling mistakes that are seen in Year 5. It will mainly focus on homophones.

Homophones

Some words sound the same, mean different things and are spelt differently.

their/there **where/wear**

You need to practise to make sure you use the right one in your writing.

- 1) Read the extract and find the spelling errors.

Hello, Im a typical year 5 child and I sometimes mack spelling mistakes or choose the wrong homophone.

I no their are many different mistakes wich children make on a daily basis. They are not to hard. I just need to remember them when I am writing. It doesnt matter if I make a mistake so long as I learn from it.

Can you spot them?

2) Now you have spotted them, can you correct them?
