

Yellow group:

Task 1:

You are going to be researching the charity `Water aid`. You need to create a poster with all the information that you find!

Here is some research to help you get started:

2 in 5 people lack basic hand washing facilities at home.

1 in 10 people around the world don't have access to clean water.

785 million people around the world still don't have access to water close to home.

Water aid provide clean water, good hygiene and decent toilets for lots of people around the world.

Have a look on the website and see what else you can find!
