- Can you remember what are the 'spelling principles' when you add -ed, -ing, -er to a word?
- Top TIP: Think about the words **add, change, chop and double?**

## Add

- When the root word ends consonant, consonant just **add** the suffix (er/ing/ ed)

jump

- e.g. jump - jumper - jumping - jumped

# Double

- **Double** the consonant and add the suffix (er/ing/ ed) when we have a short vowel followed by a consonant at the end of the root word

short vowel = i

so double the consonant p

skip

- e.g. skip - skipper - skipping - skipped

## Chop

- When the root word ends in a vowel, **chop** the vowel (a,e,i,o,,u) and add the suffix (er/ing/ ed)

bounce

- e.g. bounce - bouncer - bouncing - bounced

# Change

- When the last letter of the root word is a 'y', you **change** the 'y' for an 'i' and add -ed
- Remember to change the 'y' for an 'i'

cry to cried

e.g. try to tried, fry to fried, reply to replied, spy to spied

# Change

- There are some irregular verbs that change entirely when writing in the past tense. You just have to learn them!
- e.g.
- eat = ate
- sing = sang
- run = ran
- catch = caught
- teach = taught
