

Happy News from SJS

By Mrs Booth

It has been amazing to receive such a huge range of children spreading positivity throughout our community. The windows of colour and positive messages for the NHS and those helping us during this time really does put a smile on your face. Well done SJS! Here are two 'happy news stories' in our own school that I wanted to share.

GIRLS BAKE TO KEEP NHS STAFF SMILING

Two sisters have been putting their baking skills to the test and creating yummy treats for the staff of the Stoke Team at Lymington Hospital.

The baked goods have been hugely appreciated by the staff for not only providing a delicious treat when they have a break but also for putting a smile on their faces. Brilliant!

SJS STUDENT CREATES PATHWAY OF FUN FOR NHS STAFF

A year 4 student in SJS has been developing the pavement outside of her house into a way for passing NHS staff to enjoy a quick game of hopscotch and for local community to add their messages of thanks. A real walkway of positivity for the people helping all of us today. Well done!
