

I hope you have had a good week
and now ... it is time to do some spellings!

Every Week

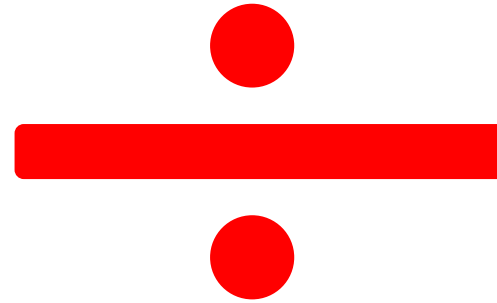

I will send you:

- a Power Point which will be linked to your Year 4 main focus words and spelling principle.
- 1 task worksheet (with an answer sheet if appropriate) **AND**
- If possible on a PC, tablet or smart phone, an on-line task such as spellingframe.co.uk/spelling-rule **OR** another task.
- If at all possible, please do **both** tasks because the more you do, the better you will become at spelling, reading and writing!

If you were to spell these two words, what would they have in common?

television

division

They both end with the suffix ‘-sion’ that sounds like /shun/.

So this week...

- **We are going to look at how to spell words with the suffix –sion. We will come back to this particular suffix next half term.**
- Apart from television and division, can you think of any other words which end with –sion?
- Working with an adult, say or write down as many ‘sion’ words as you can remember.

Did you think of any of these ‘-sion’ words?

- **division**
- **decision**
- **revision**
- **explosion**

invasion
television
erosion

confusion
collision
inclusion

- Do you notice anything about all of these words with the ‘-sion’ pattern? Top Tip: Think of the root words!

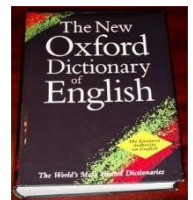

All of the words that end in 'sion' have a root word that ends in either **de** or **se**.

- div**sion** = divide
- inva**sion** = invade
- dec**sion** = decide
- coll**sion** = collide
- eros**sion** = erode
- Do you now see the links?
- inclusion = include
- explos**sion** = explode
- confus**sion** = confide
- televis**sion** = televise
- revision = revise

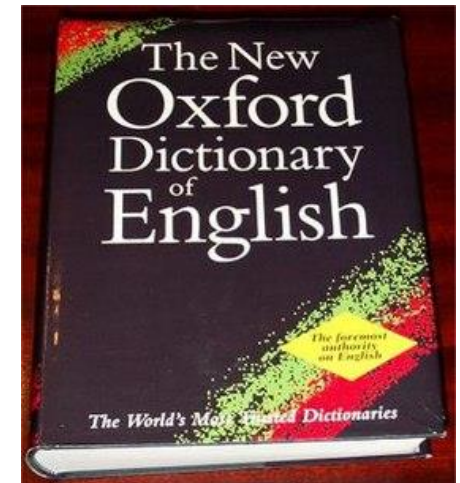

Can you work out what these words mean from the sentences? Discuss your thoughts with an adult.

- division = Addition, subtraction, division are mathematical operations.
- decision = That was a great decision to go to the restaurant.
- explosion = The bomb caused an explosion.
- erosion = The erosion of the land meant the house may fall into the sea.
- collision = Cars are designed to crumble in a collision.
- inclusion = Everyone's inclusion in the game is important.
- television = I like to watch television.
- revision = I must do my revision before my tests so I can improve.
- invasion = The Vikings invaded England.
- confusion = The man was confused when he saw the sign.

The words meanings are...

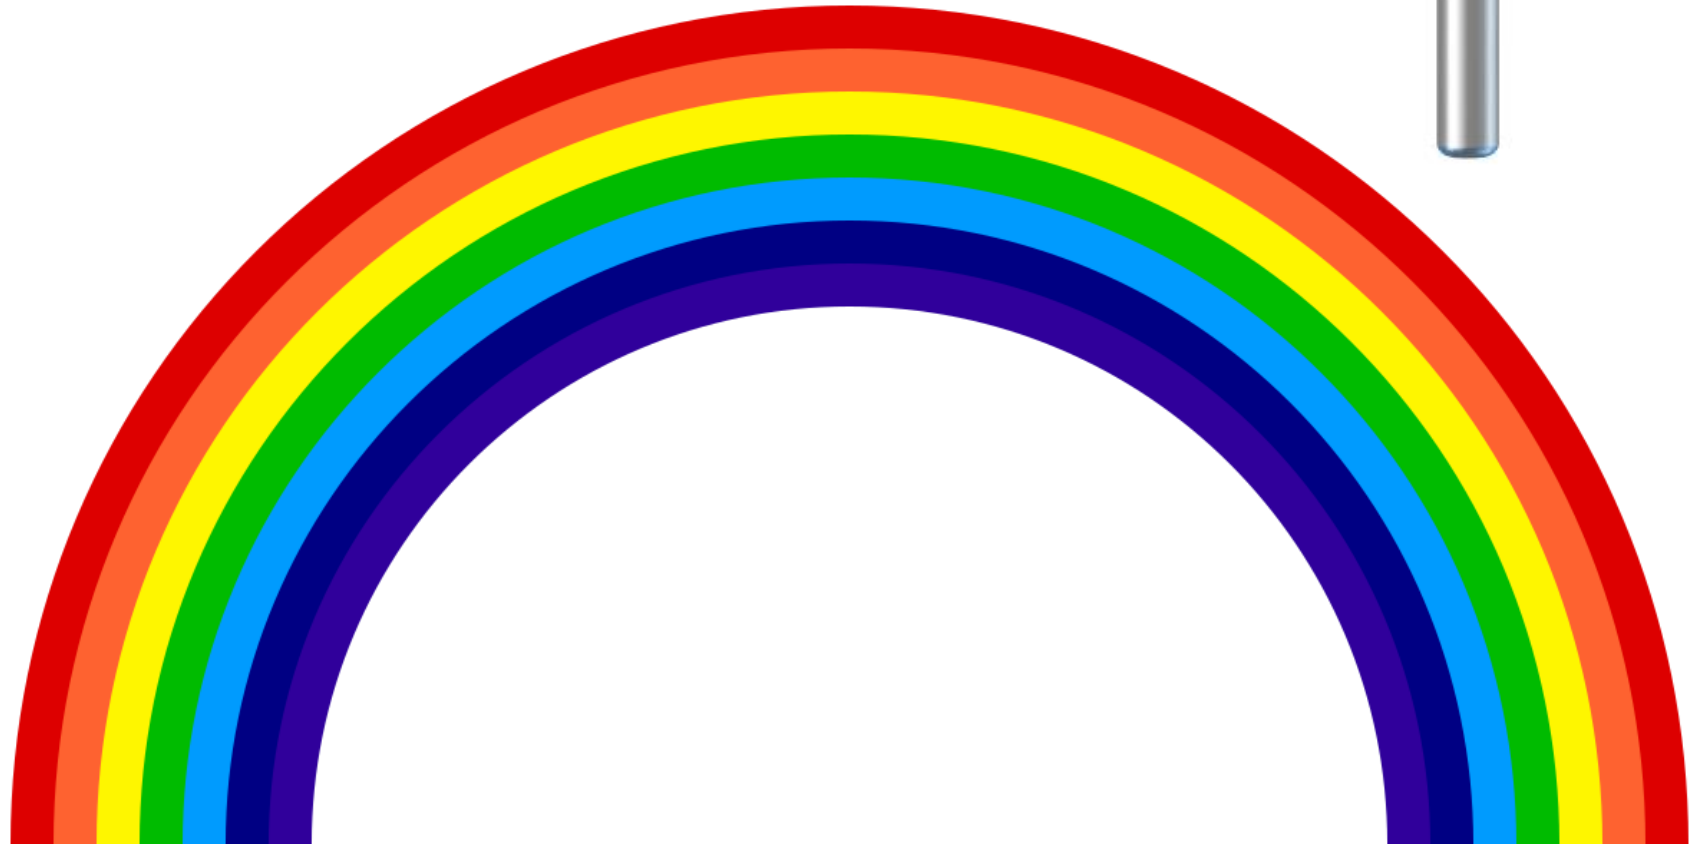

- **division** means separating into parts (think maths).
- **decision** means the act of deciding something or solving a question.
- **explosion** means a violent shattering of something or a sudden outburst of something like anger.
- **erosion** means the gradual wearing away of something.
- **collision** means one moving object striking another object.
- **television** is a piece of equipment with a screen to watch programmes.
- **revision** means the act of learning, changing or improving something.
- **invasion** means the act of entering a place in an attempt to take control of it.
- **confusion** means to be unsure about what is happening.
- **inclusion** means the act of including someone or something as part of a group.

Your Focus Words

Your Turn

Rainbow Writing

- First write 8 words in pencil. Then trace over each word three times. Each time you trace, you must use a **DIFFERENT** colour crayon or pen. Trace neatly and you will see a rainbow! Or, can you make your words into a rainbow for the NHS? Be creative!
- Use your focus words.
