

I hope you have had a good week
and now ... it is time to do some spellings!

Every Week

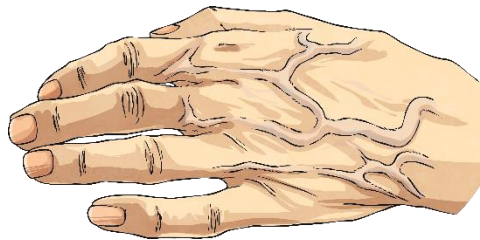

I will send you:

- a Power Point which will be linked to your Year 4 main focus words and spelling principle.
- 1 task worksheet (with an answer sheet if appropriate) **AND**
- If possible on a PC, tablet or smart phone, an on-line task such as spellingframe.co.uk/spelling-rule **OR** another task.
- If at all possible, please do **both** tasks because the more you do, the better you will become at spelling, reading and writing!

Last weeks learning

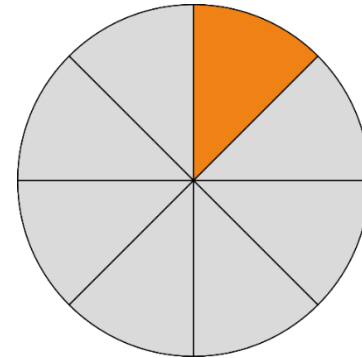

- Last week we looked at making a long /a/ sound using which letter pattern?

vein

neighbour

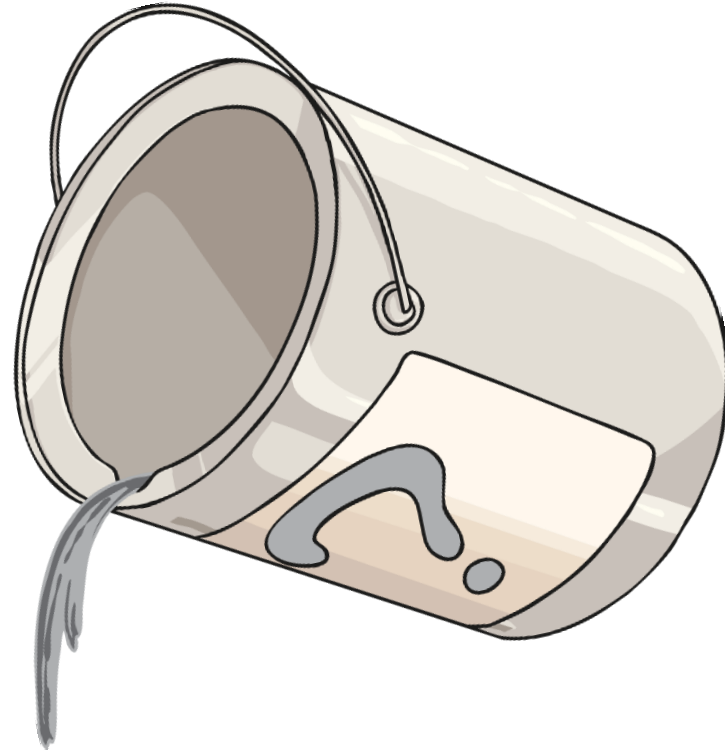

eighth

This week we are going to look at ...

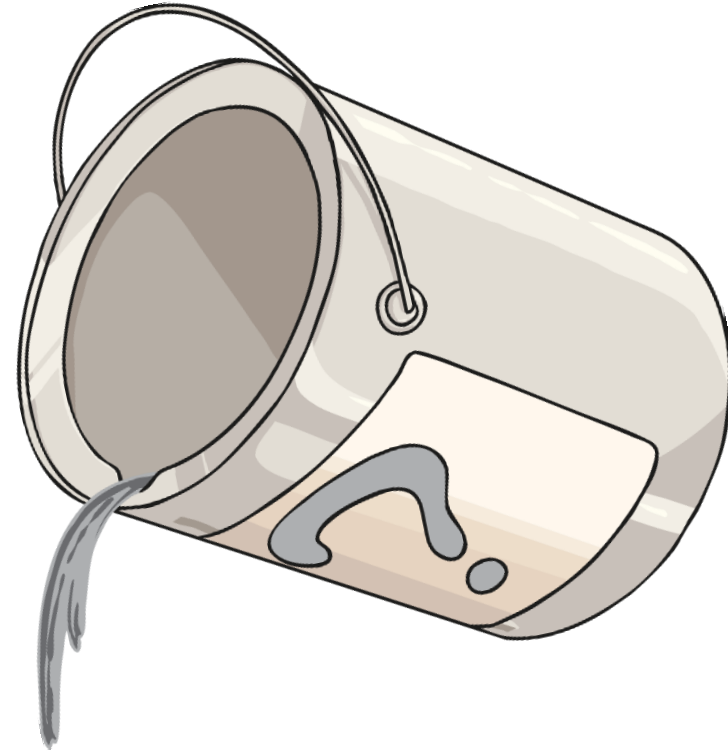

grey

Which letters make the
long vowel sound /a/ in
this word?

Yes , it is the 'ey' in the word grey.

grey

Can you think of any words which include
–ey?

- Tell your adult or write them down (apart from grey).

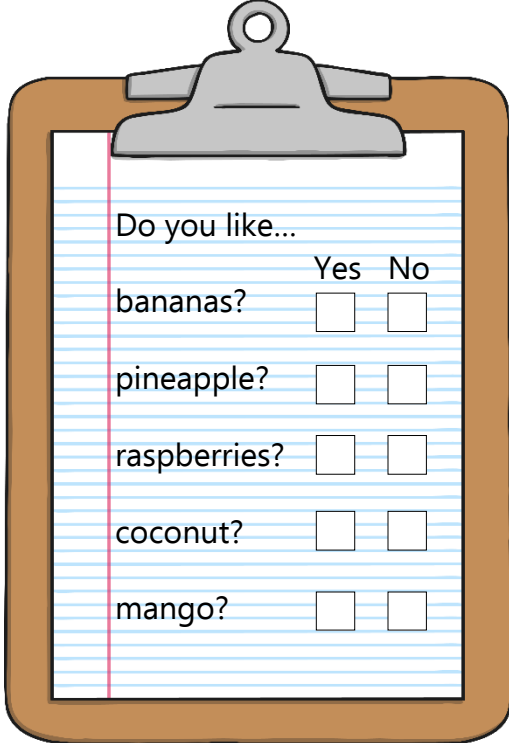

How many did you think of?

- ey
 - they
 - obey
 - disobey
 - convey
 - prey
 - hey
-
- Can you say these words out loud?

Lets look at what some of these words mean.

survey

You may do one of
these in maths
or science?

Do you like...		Yes	No
bananas?		<input type="checkbox"/>	<input type="checkbox"/>
pineapple?		<input type="checkbox"/>	<input type="checkbox"/>
raspberries?		<input type="checkbox"/>	<input type="checkbox"/>
coconut?		<input type="checkbox"/>	<input type="checkbox"/>
mango?		<input type="checkbox"/>	<input type="checkbox"/>

With an adult, talk about the word...

prey

Now use the word and say it in a sentence. Be careful because it is a **homophone**.

For example: While watching the wildlife programme, I watched the cheetah chase its **prey**.

Top Tip: A homophone is a word that sounds the same as another word but has a different spelling and different meaning.

prey and pray are homophones

With an adult, now talk about the word...

hey

When might you hear this word used? Tell your adult when you could use this word?

For example. “Hey! Good to see you!”
shouted the girl cheerfully to her
old friend.

‘Hey’ is an informal word
that is often used in
speech to greet people.

Such as in a diary
or speech in a
story.

With an adult, now talk about the words...

obey and disobey

Obey means to follow commands or orders or rules.

What does 'disobey' mean? Think back to when
You did prefixes such as dis.

The prefix 'dis'
means not.

For example. The child
disobeyed his mum's
request to lay the table
ready for tea.

Your Focus Words from last week and this week. Say them all out loud.
