

Year 6

It's a Wrap - Project

Home Learning

Hi Year 6,

This is **week nine** of your home learning. You will need to complete the steps and tasks in order. The learning value we are mainly focusing on is Curiosity this week. As always we want you to take care with your handwriting and presentation and are really looking forward to seeing some of the great learning we know you will complete this week so we can add this to our year 6 Star Learning page on the website.

Have fun with your learning!

Mrs Davie, Mrs Booth, Mrs McQuay and Mr Richards

This week we will be exploring the songs and lyrics used in High School Musical thinking about their role in the *plot*.

Year 6 - Task one* – To retell a story

Reflect on the story behind High School Musical – what are the key events?

Write the date and title in your project book: To retell a story

Task 1 - Create a timeline showing the key events of the storyline and stick it into your project book.

To retell a story

Draw a timeline on your A3 paper.

Steps to success
Have I...

- decided on the key events of the plot?
- ordered them on a timeline?

On your timeline 'zoom in' to each event. What makes it a key event? Why is it important in the overall storyline?

Draw a picture for each event and explain what happens in the scene, including its importance to the storyline.

E.g.

Opening scene - we are introduced to Troy and Gabriella. The song gives us information about the theme of trying something new and gives clues about the relationship that will grow later in the plot.

Year 6 - Task two* – TLHT analyse lyrics

Turn to a double page in your book and write the date and title: TLHT analyse lyrics.

The songs are what makes High School Musical so successful.
Do you agree or disagree? Why?

Your teachers have chosen 'Stick With the Status Quo' as a very important song in the storyline of the musical.

i) Watch and listen to the song. Think about how this shows some of the key messages of identity, friendship and pressures from the musical.

<https://www.youtube.com/watch?v=Mh3Tu-zyNqY>

ii) Stick the lyrics (at the end of this pack for lyric sheets) into the middle of your double page and work through the steps to success to help you analyse the song. Much like you would analyse poetry!

Steps to Success:

Have I...

- read through the lyrics and **summarised** each verse?
- identified **poetic devices** (metaphors/similes/alliteration/imagery etc)?
- drawn any **images** which are created from the lyrics?
- identified any **themes/messages** within the lyrics?

iii) Write a paragraph to explain why 'Stick to the Status Quo' is an important song in the story of High School Musical.

Year 6 - Task three* – To select key lyrics to analyse

On the next double page write the date and title: To select key lyrics to analyse.

Look at your timeline of the plot – which songs can you think of that played an important part in developing the plot?

i) Choose a song that you think is key to the musical and stick the lyrics (found at the end of this pack) into the middle of your double page.

ii) Analyse the lyrics using the same steps as the last lesson.

Steps to Success:

Have I ...

- chosen a song that is **key** to the **plot** of HSM?
- summarised** each verse/chorus?
- analysed** the poetic devices used?
- explained** the songs importance to the whole plot?

Year 6 - Task four* – To compose my own lyrics to a song

Watch 'High School Musical' song from High School Musical 3

<https://www.youtube.com/watch?v=MFPS2qSeF0M>

This song is from the end of the final movie of High School Musical 3 and sees all the friends graduating (leaving) from high school. The lyrics are about being excited about future challenges but celebrating and remembering where you've come from. We think that they ring true with us about all of you getting ready for new adventures with many brilliant memories and skills from SJS.

In your project book write the date and title – To write my own lyrics to a song

- i) What would you want to remember or say about Shirley Junior School? What memories/emotions/key events describe our school? Mindmap some ideas.

- ii) Your Challenge is to:

Rewrite your own Verse and Chorus to the music of High School Musical (the song we listened to today!) that reflects everything that you think SJS is about.

Create a LEGACY, a song that future Year 6 children can sing when they leave!

We would love to see your lyrics and add them some of them into our final set of lyrics which we will record all of us singing (including you at home!) for our DVD.

Please send your learning to Y6teachers@shirleyschools.co.uk. We really can't wait to hear from you!

RESOURCES

Stick to the Status Quo

You can bet there's nothing but net
When I am in the zone and on a roll
But I've got a confession, my own secret
obsession
And it's making me lose control
Everybody gather 'round

*Well, if Troy can tell his secret, then I can tell
mine... I bake*

What?

*I love to bake! Strudels, scones, even apple pan
dowdy*

Not another sound

*Someday I hope to make the perfect crème
brûlée!*

No, no, no, no

No, no, no

Stick to the stuff you know

If you want to be cool, follow one simple rule

Don't mess with the flow, no, no

Stick to the status quo

Look at me and what do you see?

Intelligence beyond compare

But inside I am stirring, something strange is
occurring

It's a secret I need to share

Open up, dig way down deep

*Hip-hop is my passion! I love to pop and lock and
jam and break!*

Is that even legal?

Not another peep

*It's just dancing, sometimes I think it's cooler than
homework*

No, no, no, no

No, no, no

Stick to the stuff you know

It is better by far to keep things as they are

Don't mess with the flow, no, no

Stick to the status quo

Listen well, I'm ready to tell

About a need that I cannot deny

Dude, there's no explanation for this awesome
sensation

But I'm ready to let it fly

Speak your mind and you'll be heard

*Alright, if Troy wants to be a singer, then I'm
coming clean! I play the cello!*

Awesome! What is it? A saw!

No, dude, it's like a giant violin!

Not another word

Do you have to wear a costume?

Coat and tie

No, no, no, no

No, no, no

Stick to the stuff you know

If you want to be cool, follow one simple rule

Don't mess with the flow, no, no

Stick to the status quo

Oh, no, no, no

Stick to the stuff you know

It is better by far to keep things as they are

Don't mess with the flow, no, no

Stick to the status quo

This is not what I want

This is not what I planned

And I just gotta say

I do not understand

Something is really...

Something's not right

Really wrong

And we gotta get things

Back where they belong

We can do it

Gotta play

Stick with what you know

We can do it

Hip-hop, hooray!

She has got to go

We can do it

Crème brûlée!

Keep your voice down low

Not another peep, no

Not another word, no

Not another sound, no

Everybody quiet!

Why is everybody staring at you?

Not me, you

Because of the callbacks? I can't have people
staring at me! I really can't!

No, no, no, no

Stick to the stuff you know

If you want to be cool, follow one simple rule

Don't mess with the flow, no, no

Stick to the status quo

Oh, no, no, no

Stick to the stuff you know

It is better by far to keep things as they are

Don't mess with the flow, no, no

Stick to the status

Stick to the status

Stick to the status quo

Get'cha head in the Game

Coach said to fake right
And break left
Watch out for the pick
And keep an eye on defense
Gotta run the give and go
And take the ball to the hole
But don't be afraid
To shoot the outside "J"

Just keep ya head in the game
Just keep ya head in the game

And don't be afraid
To shoot the outside "J"
Just keep ya head in the game

U gotta
Get'cha get'cha head in the game
We gotta
Get our, get our, get our, get our head in the game
U gotta
Get'cha get'cha head in the game
We gotta
Get our, get our, get our, get our head in the game
Come on
Get'cha get'cha head in the game
We gotta
Get our, get our, get our, get our head in the game
U gotta
Get'cha get'cha head in the game
We gotta
Get our, get our, get our, get our head in the game

Let's make sure
That we get the rebound
'Cause when we get it
Then the crowd will go wild
A second chance
Gotta grab it and go
Maybe this time
We'll hit the right notes

Wait a minute
It's not the time or place
Wait a minute
Get my head in the game
Wait a minute
Get my head in the game
Wait a minute
Wait a minute

I gotta
Get my, get my head in the game
You gotta
Get'cha, get'cha, get'cha, get'cha head in the game
I gotta
Get my, get my head in the game
You gotta
Get'cha, get'cha, get'cha, get'cha head in the game
Come on
Get my, get my head in the game
You gotta
Get'cha, get'cha, get'cha, get'cha head in the game
I gotta
Get my, get my head in the game
You gotta
Get'cha, get'cha, get'cha, get'cha head in the game

Why am I feeling so wrong
My head's in the game
But my heart's in the song
She makes this feel so right

Should I got for it
Better shake this, yikes!

I gotta
Get my, get my head in the game
You gotta
Get'cha, get'cha, get'cha, get'cha head in the game
I gotta
Get my, get my head in the game
You gotta
Get'cha, get'cha, get'cha, get'cha head in the game
Come on
Get my, get my head in the game
You gotta
Get'cha, get'cha, get'cha, get'cha head in the game
I gotta
Get my, get my head in the game
You gotta
Get'cha, get'cha, get'cha, get'cha head in the game

When there was me and you.

It's funny when you find yourself
Looking from the outside
I'm standing here but all I want
Is to be over there

Why did I let myself believe
Miracles could happen?
'Cause now I have to pretend
That I don't really care

I thought you were my fairy tale
A dream when I'm not sleeping
A wish upon a star
That's coming true

But everybody else could tell
That I confused my feelings with the truth
When there was me and you

I swore I knew the melody
That I heard you singing
And when you smiled you made me feel
Like I could sing along

But then you went and changed the words
Now my heart is empty
I'm only left with used-to-be's
And once upon a song

Now I know you're not a fairy tale
And dreams were meant for sleeping
And wishes on a star
Just don't come true

'Cause now even I can tell
That I confused my feelings with the truth
Because I liked the view
When there was me and you

I can't believe that I could be so blind
It's like you were floating while I was falling
And I didn't mind

'Cause I liked the view
I thought you felt it too
When there was me and you

What I've been looking for

It's hard to believe
That I couldn't see
You were always there beside me

Thought I was alone
With no one to hold
But you were always right beside me

This feeling's like no other
I want you to know

I've never had someone
That knows me like you do
The way you do
I've never had someone
As good for me as you
No one like you
So lonely before I finally found
What I've been looking for

So good to be seen
So good to be heard
Don't have to say a word

For so long I was lost
So good to be found
I'm loving having you around

This feelin's like no other
I want you to know

I've never had someone
That knows me like you do
The way you do
I've never had someone
As good for me as you
No one like you
So lonely before I finally found
What I've been looking for

Do do do, do do, do do do do
Woah ah, ah, oh

Do do do, do do, do do do do
Woah ah, ah, oh

Bop To the Top

Mucho gusto

Aye que fabulosa
Rae aye aye aye
Arriba
¿Quieres bailar?

Mirame

I believe in dreaming
And shooting for the stars

Baby to be number one
You got to raise the bar

Kicking and a scratching
Grinding out my best

Anything it takes to climb
The ladder of success

Work our tails off everyday
Gotta bump the competition
Blow them all away

Caliente

Suave

Yeah we're gonna

Bop bop bop, bop to the top
Slip and slide and ride that rhythm

Jump and hop
Hop until we drop

And start again
Zip zap zop hop, flop like a mop

Scoot around the corner
Move it to the groove
Until the music stops

Do the bop bop bop
To the top
Don't ever stop
Bop to the top
Gimme gimme
Shimmy shimmy
Shake some booty and turn around
Flash a smile in their direction

Show some muscle

Do the hustle

Yeah we're gonna

Bop bop bop, bop to the top

Wipe away your inhibitions

Stump stump stump, do the rump

And strut your stuff

Bop bop bop, straight to the top
We're going for the glory

We'll keep stepping up and we just won't stop

Till we reach the top
Bop to the top

We're all in this together

Together, together, together everyone
Together, together, come on lets have some fun
Together, were there for each other every time
Together together come on lets do this right

Here and now its time for celebration
I finally figured it out (yeah yeah)
That all our dreams have no limitations
That's what its all about(yeah yeah)

Everyone is special in their own way
We make each other strong (we make each other strong)
Were not the same
Were different in a good way
Together's where we belong

We're all in this together
Once we know
That we are
We're all stars
And we see that
We're all in this together
And it shows
When we stand
Hand in hand
Make our dreams come true

Together, together, together everyone
Together, together, come on lets have some fun
Together, were there for each other every time
Together together come on lets do this right

We're all here
And speaking out with one voice
We're going to rock the house (YEAH YEAH!)
The party's on now everybody make some noise
Come on scream and shout

We've arrived because we're stuck together
Champions one and all

We're all in this together
Once we know
That we are
We're all stars
And we see that
We're all in this together
And it shows
When we stand
Hand in hand
Make our dreams come

We're all in this together
When we reach
We can fly
Know inside
We can make it
We're all in this together
Once we see
Theres a chance
That we have
And we take it

Wild cats sing along
Yeah, you really got it goin' on
Wild cats in the house
Everybody say it now
Wild cats everywhere
Wave your hands up in the air
That's the way we do it
Lets get to it
Time to show the world

We're all in this together
Once we know
That we are
We're all stars
And we see that
We're all in this together
And it shows
When we stand
Hand in hand
Make our dreams come true

We're all in this together
When we reach
We can fly
Know inside
We can make it
We're all in this together
Once we see
Theres a chance
That we have
And we take it

Wild cats everywhere
Wave your hands up in the air
That's the way we do it
Let's get to it
Come on everyone!

Breaking Free

We're soarin', flyin'
There's not a star in heaven
That we can't reach

If we're trying
So breaking free

You know the world can see us
In a way that's different than who we are

Creating space between us
'Till we're separate hearts

But your faith it gives me strength
Strength to believe

We're breakin' free

We're soarin'

Flyin'

There's not a star in heaven
That we can't reach

If we're trying

Yeah we're breaking free

Oh, we're breakin' free

Ohhhh

Can you feel it building
Like a wave the ocean just can't control

Connected by a feeling
Ohhh, in our very souls

Very souls
Ooooh

Rising 'till it lifts us up
So every one can see

We're breakin' free

We're soarin'

Flyin'

There's not a star in heaven
That we can't reach

If we're trying

Yeah we're breaking free
Ohhh, breaking free
Oooh...

Start of Something New

Living in my own world
Didn't understand
That anything can happen

When you take a chance

I never believed in What I couldn't see

I never opened my heart (Oh)

To all the possibilities

I know that something has changed
Never felt this way and right here tonight
This could be the start of something new

It feels so right to be here with you (oh)
And now looking in your eyes
I feel in my heart (feel in my heart)
The start of something new

Now who'd have ever thought that
We'd both be here tonight
And the world looks so much brighter
With you by my side
I know that something has changed
Never felt this way
I know it for real
This could be the start of something new
It feels so right to be here with you (oh)
And now looking in your eyes
I feel in my heart
The start of something new
I never knew that it could happen till it
happened to me
I didn't know it before
But now it's easy to see
It's the start of something new
It feels so right to be here with you
And now looking in your eyes I feel in my
heart
That it's the start of something new
It feels so right to be here with you
And now looking in your eyes I feel in my
heart
The start of something new (The start of
something new)
The start of something new
