

Citizenship Award

Name: _____

Year group: 3 4 5 6

We want to help you to become fabulous citizens of our school!

You can earn your citizenship award each year by doing the challenges suggested inside, or equivalent challenges if your teacher agrees.

Some of the challenges connect to other learning values as well

Your teacher needs to sign your booklet to say you have been successful, and if the challenge has been done at home, you need a signed note from your grown up as evidence.

Good luck!
